PO Box 1409
Camdenton, MO 65020

Entries: Completed through AthleticNET (Click Here)
ALL entries will be due NO LATER than Monday October 5th at 9:00AM.
Entry questions? Reach out to Paul Golian | paul@trxctiming.com

Timing: TRXC will be timing our meet. A **$40.00** per chip fee will be issued to schools for any damaged and/or missing chips. There will be a chip return location on the finish-line side of the barn. Chips shall be returned rubber banded and in numeric order.

Important Links: Box Assignments | Roster (Boys) | Roster (Girls) | Live Results (TRXC)

Awards:
- Top 25 boys, Top 25 girls will receive medals
- Plaques for 1st and 2nd place teams in each division
- Ice Cream Cake for 1st place in each division

We will put together medal packets for each school for each race. Medal packets, plaques, and ice cream cakes will be available at the barn garage door at the conclusion of the races.

Bus Parking: Buses should enter Dry Hollow road from HWY 5 so that they turn left into the course entrance. Buses will be directed to parking on-site once they enter the venue.. If a bus driver does not plan on parking and staying for the duration, we ask that they drop the team at the course entrance on Dry Hollow Road as to not congest our one-way in/out entrance during peak traffic times. There is additional parking in Ha Ha Tonka State Park at the Visitor's Center or the Lower Castle parking lots for bus drivers to park and wait if they choose to drop off.

Tent City/Team Camp: Tents are allowed in the open area to the right of the finish corral. Please set up your team camp in the designated area.

Finish Corral: ONLY coaches, trainers, and athletes are permitted within the finish corral. Spectators can meet their athletes back at team camp. Water will be available. Please instruct athletes to cheer on their remaining teammates from outside the corral.

Facilities: There will be portable restrooms available.

Concessions/T-shirts: TBD if concessions will be available. We will have Comfort Colors meet t-shirts available for purchase ($20)

Spectator Parking: available inside the venue. Cars will be directed to a parking location in a grassy field. Spectators CANNOT park along the roadway on Dry Hollow.

Other things of note:

- In the event of inclement weather, there may be delays in which we'll send your teams to our high school a few miles away, and be in contact with coaches via email about a delayed start time. In the case that the parking areas are muddy but storms are not a threat, we'll have buses drop off teams at the entrance on Dry Hollow, and park in the open lots within Ha Ha Tonka, or at our high school.

- Depending on other sports schedules within our district, we may or may not have an athletic trainer on site. There will be an ambulance.

- We are so lucky to host our meet at Ha Ha Tonka State Park – named "4th best state park in America" and "Most beautiful place in Missouri". We encourage you to come back sometime and check out the beautiful views, historic ruins, and awesome trails. **We also want to remind you that our course exists on protected state park property. Please be respectful and pick up trash, don't venture beyond the bounds of the course, keep dogs on a leash, and only park in designated areas.**
