Medals & Awards

The top 10 runners in each race will receive a medal. The first place boys and girls team will receive a plaque.

Water

A water station will be available to athletes in the finish line area. Please ask your athletes to bring their own bottles to refill as we will not provide individual cups.

Spectators

While we encourage spectators to traverse the course and support the athletes, we advise you to maintain social distance from other spectators. Additionally, we ask that spectators remain aware of their proximity to the course so as to not interfere with athletes.

The Course

The course encompasses both the Green Tree Elementary School campus and Boulevard Park. The course surface is predominantly grass with a small section of a paved pathway. Athletes who wish to wear spikes will not be significantly impacted by the short, paved portion of the course. Please see the attached map and color-coded key for further information.
