Flighted Team Format

- 7th Man race is the first race, 6th Man race is the second race, 5th Man race third, etc. Attempt to place your runners in reverse power in the 7 races.
- Your number 1 runner should run in the 1st man race, number 2 in the 2nd man race & so on – we are operating on the honor system
- We will score your 6 best finishes and drop your worst finish. The 7th best finish will be used to break any ties.
- We are using chip timing (each runner should have a chip on each shoe). You are responsible for collecting and returning all chips. Schools will be billed \$35 per chip for any chip not returned.
- If one race is done, we will go ahead and start the next race, even if that means we get ahead of the time schedule. Since we are using TRXC as our timing provider this year, things should move quicker.
- All Races include boys and girls running in each race at the same time!
- Anyone who is not in your top 7 should be running in the 8th man race.
