We use our football infield as a large coaching box and warm up area, with restricted areas marked with flagging tape and stanchions.

Heat/Flights: [Class 2](#)      [Class 3](#)

Our throws are all on the upper level.

Tents may be located around the "bowl" on the west, north (visitor's) and east side, and east of the fire hydrant on the south side.

Weigh ins are behind the concession stand in the "garage."

The timing truck will be on the infield next to the finish line.

Coaches Meeting will be in the SE corner of the home side (south) spectator stands. No team camps in the south (home) stands.

All schools will be expected to work at least one officiating duty per gender entered. IF YOU HAVE (A) SPECIFIC EVENT(S) OR ASSIGNMENT YOU WOULD LIKE TO DO please email me by April 21. Please list 2 preferable duties for each gender and a third for either gender. I'll try to honor your requests, but we may need to assign some of you who have notable expertise to a specific duty. Have (a) knowledgeable individual(s) to carry out your assigned duties for your class. Duties CAN include:

All Field Events (by class and gender): SP, D, Jav, TJ, LJ, HJ, PV

All classes/genders: Exchange Zones; hurdle placement/marshall, turn judge, break-line; cone placement on turns.

If you have any questions about the meet prior to receiving the formal District packet, please contact me.
