There will be a coaches meeting at 2:30 PM in the bleachers in front of the press box. Each team must have at least 1 representative present. We will make final scratches and heat adjustments if necessary. **There will be NO ADDS.**

**Facilities:**

**Infield Guidelines:** We will have 50 yards marked off on the north side of the field designated for team warm-ups. Coaches please assist us in notifying your athletes and coaches, not to set up a team camp or lawn chairs on the infield. The only athletes west of the 50 yard line (scoreboard side) are those that are in the bullpen or competing. Again, no team camps or lawn chairs on the infield, please and thank you.

**Spike Check:** Coaches please remind your athletes to check their spikes. Spikes longer than 1/4 inch are allowed on the track. In an effort to protect our new all-weather track and runway surfaces., anyone found competing in spikes longer than ¼ inch will be disqualified.

- **Jumps & Pole Vault:** Located outside the fence at the 200m start.
- **Shot & Disc:** Our shot and discus rings are located behind the visitor bleachers.
- **Javelin:** Our Javelin field is located on the soccer field next to our shot put rings. This is a grass runway.

**Field Event Format:**

- All athletes must check-in and declare for competition prior to the start of the event. No exceptions.
- Field events (aside from HJ & PV) will be run cafeteria style with 3 attempts & no finals.
